The president announces that oil drilling will be allowed in a U.S. wildlife refuge. Greenpeace quickly organizes a protest, environmental lobbyists mobilize, the legislature takes sides and the trading volume of the energy company that won the drilling contract skyrockets. If your clients rely on political or government-related information to handle their business, they know the bureaucracy can hinder their ability to get information. How can you help your clients stay ahead of the curve?

The **Government CustomWire** provides real-time, round-the-clock coverage of the legislative, judicial, and executive branch activities that impact our world including news on presidential and legislative activities, foreign policy issues, national defense, election coverage and Supreme Court rulings.

Comtex distributes a wide array of U.S. Government-related content from a wide variety of well-respected news sources, including **United Press International, FedBizOps, U.S. Newswire, The Federal Register, and The Washington Daybook.**

No matter what aspect of Government news your clients require, Comtex's **Government CustomWire** is there as soon as the story breaks to meet their special interest, political or corporate needs.
