

Private Companies

Don't let hard-to-find information about private companies deter you from getting what you need to know. All businesses need information to succeed; don't limit yourself to your public contenders.

With the **Private Companies CustomWire** from Comtex, you can gain easy access to an extensive collection of private company news in several business areas. Customer Relationship Management (CRM) companies will find this news particularly valuable in their quest to target as many potential customers as possible and add news to their custom-based products.

The **Private Companies CustomWire** provides unique access to the Private Company space where content is usually difficult to find because there are no company stock tickers to help classify these companies. The Comtex **Private Companies CustomWire** would be an ideal fit for any company looking to provide visibility into the wide universe of private companies.

The **Private Companies CustomWire** includes news from a wide array of publishers worldwide and focuses on providing information about private company activities in a number of different business areas.

Comtex's **Private Companies CustomWire** supplies you and your customers with real-time news, reports and analysis focused on U.S. market activities and international events related to private companies as well. You and your customers will be the first to have breaking reports on private company activity occurring across the globe that affect economic growth.
